

Bevan Mauya

Full-Stack Developer | React, Next.js, TypeScript | AI Workflows & Product Support

Nairobi, Kenya • mauyabevan@gmail.com • linkedin.com/in/bevanmauya • github.com/mauyaa • b-phi-ten.vercel.app

SUMMARY

Full-stack developer and IT student building responsive web applications, AI-assisted workflows, and practical product-support tools. Comfortable across frontend development, backend fundamentals, Git/GitHub collaboration, QA/debugging, documentation, and user-facing troubleshooting. Brings a product mindset to shipping clean, structured work and turning ideas into usable digital systems.

EXPERIENCE

IT Support Attache - KTDA Holdings Limited

Jun 2025 - Sep 2025 • Nairobi County, Kenya

- Supported day-to-day IT and product operations within a leading agricultural holdings group.
- Troubleshot user-facing technical issues and documented workflows for clearer internal support.
- Applied web development and data skills to internal tools, reporting tasks, and structured problem solving.

SELECTED PROJECTS & HIGHLIGHTS

- **ZENI** - Real estate platform concept for property discovery, verified listings, agent workflows, and trusted digital flows.
- **WEZA** - Work verification platform connecting submissions, reviews, approvals, audit trails, and payout readiness.
- **Sagini** - AI-native workflow that turns guided teacher inputs into structured lesson-plan outputs.
- **Robotics Learning** - Robotics learning project exploring structured robotics concepts, practical exercises, and GitHub-based development workflow. github.com/mauyaa/robotics-learning-ec0

EDUCATION

BSc, Information Technology - KCA University

Sep 2022 - Jul 2026

Software Engineering Programme - ALX Africa

Mar 2025 - Nov 2025 • Front-End & Back-End Web Development

LICENSES & CERTIFICATIONS

Professional credentials in software engineering, AI, cybersecurity, and data analytics.

- AWS AI Practitioner Challenge - Udacity / Accenture • Verified Credential (Jun 2026)
- Cyber Security CompTIA Security+ • Verified Credential
- ALX Software Engineering - Front-End Web Development • Verified Credential
- Data Analytics with Professional Development Skills for the Digital Age - ALX Kenya (Apr 2026)

SKILLS

Frontend

HTML, CSS, JavaScript, React, Next.js, TypeScript, Tailwind CSS, Responsive Design

Backend & Data

Node.js fundamentals, REST APIs, SQL/PostgreSQL fundamentals, Local Storage, Python basics

Tooling

Git, GitHub, branching workflows, Vercel, Chrome DevTools, debugging, QA testing

AI & Product

AI workflows, prompt engineering, AWS AI basics, data analytics fundamentals, cybersecurity basics, product support, documentation
